NOTE FOR: Deputy Director for Administration

FROM: John M. Ray
Director of Logistics

SUBJECT: Elective Co-Generation

Bill,

I have tasked Chief, RECD, to chair an OL Working Group to examine the feasibility of initiating an Elective Co-Generation Program. This concept has been around for a long time and so it does not appear that Facilities Systems Engineering Corporation is entitled to be considered for a non-competitive contract based upon an unsolicited proposal. We will provide you our thoughts on the matter in more detail in the near future.
